

Holy Spirit Wake-Up Calls

**All around us
alarm bells ring their warnings.**

**Amid the clanging, is your heart
longing for wake up calls that stretch
the borders of your world and heart?**

Klamath Falls Friends Church

1918 Oregon Avenue

Sunday, February 9, 2014

11:15 a.m.-12:15 p.m.

In addition, the sermon/meditation at the 10:00 a.m. service

Will be led by **Nancy M. Thurston**

Discernment, a powerful Quaker practice, is required to know which wake up calls enrich our lives, expand our neighborhoods and support global justice and which ones are better ignored.

Join Nancy as she shares excerpts from her memoir, ***Big Topics at Midnight: A Texas Girl Wakes Up to Race, Class, Gender and Herself***, and facilitates a lively and creative inquiry into what the Spirit wants to wake up in you.
